

Good Morning!

Congratulations to all on a successful opening night in front of a sell-out crowd! The cast and crew were marvelous! They all seemed to have a great time and the audience loved it! I hear Froyo was a packed house as well!

Call-times today: 12:30 and 6:00. Please bring water and a light snack.

Both today and tomorrow at 1:00 we'll have before-show talks with elementary school students and girls scouts to give them a peak inside the peach-makings! Several cast and crew members will get to share their stories with these students, so please make sure cast and crew are on-time.

If you've not had a chance to see the photos that Stephanie Mennell took during dress rehearsal, please check out the Severna Park Voice link:
